

AMAZON SMILE

The Farmworkers Children Centers Inc., Pines North and Pines South is a tax exempt 501(C)3 charitable organization joining together with Amazon in their charitable donation program. If you use Amazon.com as one of your shopping tools and would like to have Amazon donate a portion of their profit back to the community (Farmworkers Children Centers) you will need to do the following.

Usually you sign on to Amazon.com to purchase your items. You will now sign on in the same manner to Smile.Amazon.com. The first screen will have an option for you to change the charity to which AMAZON has defaulted and this could be anything. That default can be changed by clicking the change box and typing in Farmworkers Children Centers Inc.

You then click on Farmworkers Children Centers Inc. Ocean Ridge Florida, and it becomes your permanent charity for each purchase you make. That's it! You never have to do it again.

Now, every time you make a purchase, a portion of the profits Amazon receives will go to the children.

Remember to always sign on to Smile.Amazon.com.

If you have difficulty you can always call Amazon @ 1-888-280-3321 and if you have difficulty with an accent just say please transfer me to a representative in the USA and they will do that. We thank AMAZON and should you want to see our mission statement and programs our site is www.farmworkerschildren.org.

Thank You

From the Children
